## swiss summer

#### 1 city 2 schools 7 sites Mendrisio Atlas

### 4.-10. september 2022

The SwissSummerSchool is organized by the Swiss Association of Schools of Architecture and represents a shared platform for discussion and research.

The third edition of the SwissSummerSchool will be held in Mendrisio and aims to realize a pictoral Atlas of the contemporary territory of Mendrisiotto: an area of lakes, beautiful landscapes and villages but also urban sprawl, large scale infrastructures, logistic centers and industry. This territory will be explored, researched and documented to reveal its hidden secrets and resources.

On extensive walks through the landscape, 7 groups will each select a site, create a photographic essay and finally produce a short video about its characteristics and potentials. The students will discuss and edit the results of the photographic and cinematic "field work" collectively. Their work will be moderated and accompanied by teachers representing the participating schools – and international experts from the fields of strollology, geography, photography, perception and story-telling.

The principal language of exchange will be English.

#### Architekturrat der Schweiz Conseil suisse de l'architecture Consiglio svizzero dell'architettura Cussegl svizzer d'architectura

#### architectural council of switzerland

Mendrisio SUPSI Architettura USI-ARC Accademia di architettura

#### Conditions of participation

National and international students of architecture are eligible for participation after prior application (3 DIN A4 pages work sample, 1 DIN A4 page CV digital as a PDF, 5 MB maximum). Participation fee is CHF 250.—; accommodation and one meal per day is included (accommodation can be in student housing, flats or tents (tents will be provided).

Participants will receive 2 ECTS credit points for the work completed during the week. Interested students have the potential to increase to 3 ECTS for an additional task performed after the completion of the primary work.

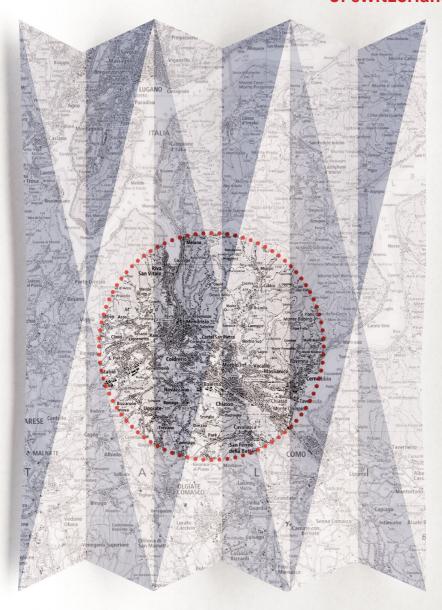

Applications will be accepted until the 25th of August.

Send your application to: summerschool@architekturrat.ch INSTAGRAM #swisssummerschool
